Dear Sir,

I am very desirous of obtaining proof of the age of my husband, Edwin Nathaniel MYERS. We are practically sure he was 73 last June 3rd. but we cannot trace birth or Baptismal certificate. He was born in Newburgh Ohio.

The Regional Director for Old Age Security Regina suggests that it may be possible to obtain a statement from you as to the applicants age at the time he filed on his homestead in Alberta.

Edwin Nathaniel Myers filed on his homestead, located N.W. 28. 38. 17. W. 4th in late April or early May of the year 1908. He, Colin Stewart, Jim Wheelwright; Frank Hopkins, and another man, all went together to Stettler to file on homesteads locally. STETTLER (over 40 miles distant) was their postal address.

If you can assist us in this matter, we shall be greatly obliged.

Yours faithfully
Mrs. Edwin N. Myers

Sir,

I beg to enclose herewith for your approval the application for patent of Alfred Ellison Muncaster of Priddis, for the south-west quarter of section 20- 22- 4, west of the Fifth meridian, duly recommended.

It will be noticed that Mr. Long, one of the witnesses, can only corroborate the duties from May, 1909, but, inasmuch as it would appear that the homesteaders who were living in the vicinity when the applicant started residence, have left the country, Mr. Muncaster was advised to request a neighbour who had known him the longest to act as witness, which he has done, and I trust the Department can accept the evidence.

I also enclose statutory declaration of W. H. Muncaster as to residence performed by him.

The Soldier Settlement Board

File No. 4-2878.

Canada. OTTAWA -

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: W. S. Lang,
S. E. ¼ 15-57-23-W.4th. Msd.

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in June, 1920, and in due course secured advances from the Board amounting to $4077.73, as follows: land purchase, $3250.00; permanent improvements, $143.30; stock and equipment, $1268.85; special advances, $421.58. As security the Board holds a charge on the settler's homestead. The Board holds no other land security in this case, as the S.E.¼ 10-57-23-W.4th, purchased for the settler, has been resold.

In January, 1923, it was reported that the settler had made very poor progress on the farm, on account of not confining his energies to the development of his own proposition. He wrote to the District Office in February, 1924, to the effect that he was giving up the farm for personal reasons. The Field Supervisor was instructed to visit the farm and in the course of a conversation with the settler's father, who lives on the adjoining quarter, he was informed that the settler would eventually return to the land. In March 1925 the settler advised the District Office that he had no intentions whatever of returning to the land, and requested that the Board close out his loan. A thirty days notice was forwarded to the settler on the 30th of April, 1925, to which no defence was filed.

After crediting the sale price of the quarter section purchased for the settler, his indebtedness to the Board amounts to $3085.57. In addition there are arrears of taxes. The homestead was appraised in January, 1928, at $540.00. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

Chairman.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

Fr. N. W. 1. 6 . 11. West 4th (S.C.)
- Edmonton District -

On the 16th of July, 1919, a loan of $1[illegible], was approved in favour of Horace William Croft, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above described land, the homestead and soldier grant entries respectively, of the said settler. The loan in this case was subsequently increased by additional approvals to $25[illegible]., and of this amount, $2327.33 was expended by the Board on the settler's behalf in the purchase of stock and equipment and permanent improvements.

The settler resided upon the land until the spring of 1921, when he abandoned the farm and deserted his wife and family, information received by the Board indicating that he had apparently proceeded to Europe. Efforts to get into communication with him proved unsuccessful, and in order to protect its interests, the Board was compelled to institute adjustment proceedings. In due course, the agreement of the settler was rescinded pursuant to a Thirty Day Notice of Intention to Rescind Contract, addressed to him on the 5th of August, 1921.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act and the settler being in default with respect to the terms and conditions of the Agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty in and in the said "charged land" be vested in the Board.

A Vesting Order [illegible] is attached hereto.

Sir,-

S.W. ¼ of Sec. 19 Tp. 61 Rge. 4 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.W. ¼ Sec. 25 Tp. 45 Rge. 4 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.E. ¼ of Sec. 8 Tp. 63 Rge. 19 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ref.No. 178013.

OTTAWA, 16th October, 1928.

Sir,-

S.E. ¼ Sec. 5 Tp. 53 Rge. 19 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

N.W. ¼ of Sec. 14 Tp. 54 Rge. 7 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

MEMORANDUM.- J. Lorne Turner, Esq.,
Registrar of Lands.

I beg to submit a Memorandum-to-Council requesting authority to refund the sum of $13.00 to Mr. Charles H. Cory of Entwistle, Alberta. The money represents the dues which Mr. Cory paid for timber removed under Permit No. 202331 from his homestead - Part South-East quarter of Section 32--52--7, West of the 5th Meridian, (156.51 acres), prior to the issue of Letters Patent therefor by the Dominion Government on the 19th October, 1920.

As Letters Patent were issued by the Dominion Government, the obligation to make the refund rests with the Dominion and not with the Province - this is a ruling of the Department of Justice.

Under Section 47, sub-section (f), of the Timber Regulations, Mr. Cory became entitled to a refund of the timber dues so soon as Letters Patent were issued in his favour.

This submission is in accordance with The Refunds (Natural Resources) Act, 1932, and I am not aware of any reason why the refund should not be made.

N. W. ¼ 18-[illegible]-West 5th (Hsd.)
S. W. ¼ 19-[illegible]-West 5th (S.T.)

On the 4th November, 1918, a loan of $1,000. was approved in favour of Earl James Holmes, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above-described land, the homestead and soldier grant entries respectively of the said settler. The loan in this case was subsequently increased by additional approvals to $2,400., the full amount of which was expended by the Board on the settler's behalf in the purchase of stock and equipment and permanent improvements.

This settler resided upon the land until early in the summer of 1922, when he abandoned his farming enterprise, stating that his health would no longer permit him to perform farm labour. Every opportunity was given Mr. Holmes to protect his interests in the land, but he failed to do so and in order to protect its interests, the Board was obliged to institute adjustment proceedings. In due course the settler's agreement was rescinded pursuant to a Thirty Day Notice addressed to him on the 23rd of August, 1923.

The land in question being "charged land within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above-land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: A. D. Doherty, No.231218,
N.W.¼ 30-56-5-W.5th M. - S.G. 181

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1350, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Doherty requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Doherty states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 4th ultimo.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1931, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 30-56-5-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

AND WHEREAS A.E.Doherty is a settler within the meaning of the Soldier Settlement Act who holds the N.½ 30-56-5-W.5th M.;

Dear Sir:

RE: N.E. 17-47-3-w.5th M.

Your Ref.- John Whealt,
File - G.I.

I have your letter of the 13th instant requesting to be advised if Mr. Wheale is entitled to a letter authorizing him to file on a second homestead. In reply I am to state that it would not appear that Mr. Wheale is entitled to file on a second homestead in view of the fact that he only filed on his first homestead on the 22nd June, 1922, and three years, therefore, would not have elapsed from the date of entry until the 22nd June, 1925.

You will note that second homestead entries were only granted to those individuals who had completed the required duties for their first homestead prior to the 1st January, 1925.

Although Mr. Wheale in his application for patent shows sufficient residence prior to the 1st January, 1925, he only shows cultivation prior to that date in each of the years 1923 and 1924.

It would, therefore, seem that if the Dominion Government was still administering the natural resources Mr. Wheale would not be considered as eligible to file on a second homestead.
